

# Life Principle: PROBLEM-SOLVING

## The Lion and the Boar - Aesop Fable

On a hot summer day a Lion and a Boar came at the same moment to a small well to drink. They fiercely quarreled over who should drink first. They were soon engaged in a violent fight. On stopping to take a breath before beginning a fiercer renewal of the fight, they saw some vultures waiting in the distance to feast on the one which should fall first. They at once made up their quarrel, saying:

*"It is better for us to make friends, than to become the food of Crows or Vultures, as will certainly happen if we are disabled."*
