

How do you distinguish between...?

What characteristics are evident for classification?

How is... similar to ...?

Would you summarize in your own words...?

How does this compare/contrast with.....?

What is the problems...?

What might be inferred about..?

Why do you say ...?

Analyzing

How may... be demonstrated?

How would you interpret ...?

What are the strengths and weaknesses of ...?

What comparison may be made between ... & ...?

What real life example can be given for...?

What other way could you look at ...?

How is...related to....?

How would ... apply to ...?

Applying

What example of.....do you see...?

How would you distinguish between...?

What is your estimate....?

How would you explain...? be for...?

What would your prediction be for...?

Which character is key...?

How would you paraphrase...?

How would you classify...? to describe...?

What would you write

What is the main idea...?

Who do you think...?

What difference/s do you see...?

What explanation is there for...?

Understanding

How would you define...?

What details do you find that...?

Which is true/false?

When did...happen?

How would you describe...?

Who was it that...?

What characters...?

Which part ...?

What do you recall about...?

How many...?

What happened before/after...?

What may be listed about...?

What is.....?

Remembering

Evaluating

How would you assess ...?

What are your reasons for... ?

What evidence is there to support ...?

How would you prioritize ... and why?

How do you explain ...?

How can that assumption be verified or disproved?

Why you agree/disagree with ...?

How would you decide ...?

What criteria would you use to evaluate ...?

Creating

What solutions are there...?

What might be combined to...?

What ideas do you have about ...?

What is the plan for ...?

How would you create/design...?

What may be written about ...?

What are some other ways to ...?

What are some changes ...?

What invention would be helpful ...?

NOTES

Revised Bloom's Taxonomy
Anderson, L. W., & Krathwohl, D. R. (2001)

“I cannot teach anybody anything. I can only make them think.”
-Socrates, 469-399 B.C.
