

The Respect Song

Respect Yourself by working hard and doing what's right☐

Being honest with yourself and telling the truth

Respect Yourself, Respect Others, Respect the School☐

That is just what we do

Respecting Others by taking turns and sharing our things

Treating others with love and all together we sing

Respect Yourself, Respect Others, Respect the School

That is just what we do

Respect the School by cleaning up and walking in a straight line

Staying quiet in the hall and handing work in on time

Respect Yourself, Respect Others, Respect the School☐

That is just what we do
