

## Curious George Theme Song Lyrics - Dr. John

You never do know what's around the bend

A big adventure or a brand new friend

When you're curious, like Curious George

(Swing!)

When everyday (everyday!) is so glorious (glorious!)

Then everything (everything!) is so wonderful (wonderous!)

There's more to explore

When you open your door

And meet friends like this

You just can't miss

(Whoa!)

Get curious (curious!) and that's marvelous (marvelous!)

And that's your reward

You'll never be bored

If you ask yourself, what is this?

Like curious, like curious, like Curious George
