

## **"May the Light of Love" Song Lyrics**

As we come around to take our places at the table  
A moment to remember and reflect upon our wealth  
Here's to loving friends and family, here's to being able  
To gather here together in good company and health

May we be released from all those feelings that would harm us  
May we have the will to give them up and get them gone  
For heavy are the satchels full of anger and false promise  
May we have the strength to put them down

May the light of love be shining deep within your spirit  
May the torch of mercy clear the path and show the way  
May the horn of plenty sound so everyone can hear it  
May the light of love be with you every day

May we wish the best for every one that we encounter  
May we swallow pride and may we do away with fear  
For it's only what we do not know that we have grown afraid of  
And only what we do not choose to hear

May the light of love be shining deep within your spirit  
May the torch of mercy clear the path and show the way  
May the horn of plenty sound so everyone can hear it  
May the light of love be with you every day

As we bless our daily bread and drink our day's libation  
May we be reminded of the lost and wayward soul  
The hungry and the homeless that we have in every nation  
May we fill each empty cup and bowl

May nothing ever come between or threaten to divide us  
May we never take for granted all the gifts that we receive  
Being ever mindful of the unseen hands that guide us  
And the miracles that cause us to believe

May the light of love be shining deep within your spirit  
May the torch of mercy clear the path and show the way  
May the horn of plenty sound so everyone can hear it  
May the light of love be with you every day

May the horn of plenty sound so everyone can hear it  
May the light of love be with you, may the light of love be with you  
May the light of love be with you every day
