Attitude

by Charles Swindoll

"The longer I live the more I realize the impact of attitude on life.

Attitude, to me, is more important than facts,

It is more important than the past,

than education, than money,

than circumstances, than failures, than successes,

than what other people think, say or do.

It is more important than appearance, giftedness or skill.

It will make or break a company … a church … a home.

The remarkable thing i we have a choice

every day regarding the attitude

we embrace for that day.

We cannot change our past…

we cannot change the fact that people

will act in a certain wa:y.

We cannot change the inevitable…

The only thing we can do is play the one string we have,

And that is our attitude…

I am convinced that life is 10% what happens to me

And 90% how I react to it.

And so it is with you… we are in charge of our Attitudes"
