

Ms. Tucker's Goal Progress Analysis

My Goal: To implement Practice 10 by coaching students on how to set quality work goals, selecting their best work, and for me to write positive feedback on displayed work of students' choice.

Write specifically what is happening now towards achieving your goal under Opportunity and the Benefits and Obstacles for each where appropriate.

I created the wall area and posted the individual plastic sleeves. I gave each student one of the 4x4 Work Check Chant task cards to use as a starting point for checking their work.

As part of the goal setting they have an accountability partner to check with before handing in work. I decided to add this accountability check as a procedure and even do mid-work checks so help may be given if needed. I really need to coach more on giving positive feedback. - perhaps post the Mind Map the class created as a reference tool.

They are also enjoying being able to select from the Free Ways to Recognize Effort when their name is drawn from the "Best Work" bowl.

The students seem to really like being able to select their best work for display. I'm finding the feedback statements I'm writing are encouraging more effort on their part. There are some who have a hard time selecting work so this has become another way for accountability partners to help.

The "Best Work" goal setting seems to have given each student something specific to focus on and work towards improving - something they chose. The Goal Progress Log and accountability check - WoW! They are proving to be game-changers in what the students are handing in and knowing exactly where they are at any time.

Has the goal been accomplished Yes No In Progress

Explain why or why not?

This will be an ongoing goal throughout the year. I can see it changing some as the students' efforts and confidence grow. There is also the process of coaching students on giving each other feedback.

Does the goal need to be revised? Yes No If yes, revise with Goal Planning Worksheet

If a new goal is needed, begin the process with the C.R.O.S.S.ROADS Goal Setting Worksheet.
