Name Hunter Schaeffer Date 9/9

1) C - CHOICE - My goal is: to add three words a week to my lexicon completing at least 4 word tasks
I choose from the Lexicon Resource.

2) R - REALITY - What is happening now? I've never kept a lexicon of words before.

3) O - OPTION/S - What can I try to reach my goal:

A. I can add our life principle word for the week and vocabulary words from something we're studying.

B. I can figure out which of the word tasks I want to complete from the lexicon task card Ms. Tucker gave me.

C. I can make sure I take the time to fill out the lexicon and have it checked by my accountability partner.

4) S - Select one or more: I want to try: A B C (Underline or circle)

Plan the steps I will take to reach my goal:

- I need to figure out a place to keep my lexicon notebook so it's always available to use.
I'm going to keep the Task Card with Lexicon steps and examples and the Lexicon Resources card in my lexicon.
I'm going to ask my friend, Sean, if he will be my accountability partner and check my lexicon every Friday.

The teacher/other person can help by: reviewing the lexicon tasks regularly so we review the basic steps and then add new ones to keep it interesting.

My parent/other person can help by: asking me about what new words I've added to my lexicon.

I will monitor my progress by: meeting with Sean every Friday to look over my lexicon notebook.
