## Preventive Discipline

---

---

Great Expectation believes that discipline should be an integral part of developing and maintaining the learning environment and includes using proactive preventive strategies.

### Preventive Discipline Resources:

1. Make an [Individual Practice 12 Self-Assessment](#) - A nine-point assessment for determining implementation
2. Teach Making Wise Choices using the processes presented in the [C.R.O.S.S.ROADS Choice Directory](#) - The five-step [C.R.O.S.S.ROADS process](#) addresses discipline through:
  - Teaching all learners how to make wise choices
  - [Lesson Plan for Introducing Choice and Goal Setting](#) - 2 lesson plans with extensive resources for introducing choice/goal setting at all grade levels and for use with discipline through setting behavior/academic goals. Includes specific examples for the educational setting and 6 Power points.
  - [Lessons and Strategies for Teaching Choice](#)
  - Addressing behavior through acceptance of individual responsibility.
  - Participating in personal evaluation of choice options and logical consequences.
  - Creating an individual plan for personal actions.
  - Modeling the process consistently in class and personal situations.
