

# Quotes Lesson Plan

## Step 1

Select a quote.

(See [Famous Quotes Collection](#))

## Step 2

Have learners connect the quote to one or more [Life Principles](#).

## Step 3

Choose one important word from the quote and use the following lexicon steps to expand your knowledge of the word.

- Identify the root of the word, prefixes, and suffixes ([Etymology](#))
- Define the word
- Select 2 or more synonyms

See [Lexicon Resource](#) for more word study steps.

## Step 4

If there is an author, use digital link/devices and research resources to find out details of his/her life.

## Step 5

Have learners memorize the quote. (See [Memorization Strategies](#))

## Step 6

Identify the central meaning and have learner's put into his/her own words. Describe or illustrate a situation or event that shows an example in real life.

## Step 7

Reflection Questions: (Use for [journaling](#) or pair/share topic)

- “How could this quote motivate me?”
- “How might this quote impact my relationships with others?”

Step 8: Use as a callback to reinforce/encourage: Teacher says the first part of quote and learners finish it.
