

Goal Analysis

Goal: My goal is to learn my x6 math facts.

Opportunity

- 1. Have my mom drill me going to from school and at other times in the car.*
- 2. Mom said she'd get me up 10 minutes early and we'd have that time to practice.*

Obstacle

- 1. We started picking up a couple of neighborhood kids and bringing them to school to help out their mom so with all the talking Mom can't drill me.**
- 2. Can't always depend on having the time but we're going to try it.**
