

Talk Like A Winner

When a winner makes a mistake, he says, "I was wrong;"

When a loser makes a mistake, he says, "It wasn't my fault."

A winner works harder than a loser and has more time;

A loser is always too busy to do what is necessary.

A winner goes through a problem;

A loser goes around a problem and never gets past it.

A winner makes commitments;

A loser makes promises.

A winner says, "I'm good, but not as good as I ought to be;"

A loser says, "I'm not as bad as a lot of other people."

A winner listens;

A loser just waits until it's his turn to talk.

A winner respects those who are superior to him and tries to learn

something from them;

A loser resents those who are superior to him and tries to find chinks

in their armor.

A winner feels responsible for more than his job;

A loser says, "I only work here."

A winner says, "There ought to be a better way to do it;"

A loser says, "That's the way it's always been done here."

Watch your words, talk like a winner!
