

# Instructor Certification Guidelines

Great Expectations extends instructor certification to a select group of highly qualified individuals. In order to become a certified Great Expectations instructor, interested parties should submit an intern application and video presentation to the Great Expectations office for selection by a review committee. **Interested parties must show successful classroom implementation of the Great Expectations methodology, which includes the 17 classroom practices.** Potential new instructors will also take part in additional training.

## TIMELINE

\*Application and Video – postmarked no later than April 1, 2024.
