

## "Go The Distance"

by Michael Bolton

I have often dreamed of a far off place  
Where a hero's welcome would be waiting for me  
Where the crowds will cheer when they see my face  
And a voice keeps saying, this is where I'm meant to be

I'll be there someday, I can go the distance  
I will find my way if I can be strong  
I know every mile, will be worth my while  
When I go the distance, I'll be right where I belong

Down an unknown road to embrace my fate  
Though that road may wander, it will lead me to you  
And a thousand years would be worth the wait  
It might take a lifetime but somehow I'll see it through

And I won't look back, I can go the distance  
And I'll stay on track, no, I won't accept defeat  
It's an uphill slope but I won't lose hope  
'Til I go the distance, and my journey is complete

But to look beyond the glory is the hardest part  
For a hero's strength is measured by his heart

Like a shooting star, I will go the distance  
I will search the world, I will face its harms  
I don't care how far, I can go the distance  
'Til I find my hero's welcome, waiting in your arms

I will search the world, I will face its harms  
'Til I find my hero's welcome, waiting in your arms
