

## **Eight Expectations Song**

(Sung to "I've Been Working on the Railroad")

We will value one another, we're special in our own way.  
We will always use our manners, each and every day!  
We will never use sarcasm, to show we're in distress.  
We will cheer for each other, and celebrate success.

Chorus:

Character will show! Character will show!  
Come on now and be your B-E-S-T!  
Character will show! Character will show!  
Come on now and be your BEST!

We will help each other, in every way we can.  
We will recognize each effort, applaud, and say, "I Can!"  
We will encourage each other to do our very best.  
We will use the life principles. We will be our best!

Repeat Chorus
