

SMILES

Smiling is infectious,
you catch it like the flu.
When someone smiled at me today,
I started smiling too.
I passed around the corner,
and someone saw my grin.
When he smiled I realized,
I'd passed it on to him.
I thought about that smile,
Then I realized its worth.
A single smile just like mine,
Could travel 'round the earth.
So, if you feel a smile begin,
don't leave it undetected.
Let's start an epidemic quick,
and get the world infected.

G.E. Smile

I've something in my pocket that belongs
across my face.
I keep it very close to me in a most peculiar
place.
I know you'll never guess it if you guess a
long, long while.
So I'll take it out and put it on.
It's a great big G.E. smile!

Smile Song

(Tune: "On Top of Old Smoky")

If someone is crying
or they're feeling blue
They'll soon feel better
With a smile from you

Chorus:
Whenever you smile
You brighten the day
So make someone happy
And smile today.

Now smile for your classmates
And all (school mascot name here) too.
Smile for your teacher
And she'll smile for you.

(Repeat Chorus)
