

## Magic Triad Greeting Rug

The Magic Triad Greeting Rug may be used to give the students an opportunity to make a choice as to how each wants to be greeted.

### Directions:

1. Get a flat pile indoor/outdoor carpet sample from a flooring store or purchase a small plain door rug.
2. Make copies of each of the Magic Triad symbols and laminate them.
3. Attach them to the rug.
4. Place the rug in front of the door each morning before students arrive.
5. Standing at the door as they arrive, each student chooses which part of the Magic Triad he/she wants to be greeted with - a Smile, A Kind Word, or a Kind Touch (i.e. fist bump) by putting a foot on that symbol.
6. Options:
  - a. Symbols may be painted on the rug.
  - b. Symbols may be placed on the wall by the door and the students touch the desired symbol with their hand.

### Patterns for the symbols:
