

## Goal Progress Analysis

**Goal: To bring my grade up from a 'C' to at least a 'B' in science**

Opportunity	Obstacle
<p>1. Go in for study sessions that science teacher has offered us before school</p> <p>2. Science teacher said to come for what part of study session I could and he offered to let come in at lunch time if I had questions - just need to let him know before I leave class that morning.</p> <p>3. Teacher shared that some of the kids are getting together for study sessions on weeknights. Talked to one of them and was invited to join them. They meet on Tuesdays at 7.</p>	<p>1. Car broke down and needs work before it can be used to get to school - having to ride the bus and it doesn't get me there early enough for most of the study session</p> <p>2. Bus sometimes late and might miss all of study session.</p> <p>3. Will have to make arrangements with folks to get there.</p>
