

## "MY HERO"

There's a hero  
If you look inside your heart  
You don't have to be afraid  
Of what you are  
There's an answer  
If you reach into your soul  
And the sorrow that you know  
Will melt away  
And then a hero comes along  
With the strength to carry on  
And you cast your fears aside  
And you know you can survive  
So when you feel like hope is gone  
Look inside you and be strong  
And you'll finally see the truth  
That a hero lies in you  
It's a long, road  
When you face the world alone  
No one reaches out a hand  
For you to hold  
You can find love  
If you search within yourself  
And the emptiness you felt  
Will disappear  
And then a hero comes along  
With the strength to carry on  
And you cast your fears aside  
And you know you can survive  
So when you feel like hope is gone  
Look inside you and be strong  
And you'll finally see the truth  
That a hero lies in you  
Lord knows  
Dreams are hard to follow  
But don't let anyone  
Tear them away  
Hold on  
There will be tomorrow  
In time you'll find the way  
And then a hero comes along  
With the strength to carry on  
And you cast your fears aside  
And you know you can survive  
So when you feel like hope is gone  
Look inside you and be strong  
And you'll finally see the truth  
That a hero lies in you  
That a hero lies in you

That a hero lies in you

## "Heroes And Friends"

I ain't lived forever, but I've lived  
enough  
I've learned to be gentle, and I've  
learned to be tough  
I've found only two things that last 'til  
the end,  
One is your heroes, the other's your  
friends

*[Chorus:]*

Your heroes will help you find good in  
yourself  
Your friends won't forsake you for  
somebody else  
They'll both stand beside you through  
thick and through thin  
That's how it goes with heroes and  
friends

I grew up with cowboys I watched on  
TV  
My friends and I sometimes pretended  
to be  
Years have gone by, but now and  
again  
My heart rides the range with my  
heroes and friends

*[Repeat chorus]*

## HEROES

He drives into the city  
And works extra hard all day  
He finishes up early  
So he can get away  
'Cause there's a blue-eyed kid on second  
base  
Wants Dad to watch him play  
And Daddy knows he's waiting  
So he hurries on his way  
CHORUS: Cause you know heroes come  
in every shape and size  
Making special sacrifices for others in her  
lives  
No one gives them medals  
The world don't know their names  
But in someone's eyes, they're heroes  
just the same  
She rocks her crying baby  
In the hours before dawn  
She whispers words of hope to help her  
husband to hold on  
She takes time for the children  
Making sure they know she cares  
She's more than just a Momma  
She's the answer to their prayers  
Repeat Chorus  
No I don't pretend to know you  
But I bet it's save to say  
There's someone out there somewhere  
looking  
up to you today  
And they see everything you do  
Except for you mistakes  
You may not think you measure up  
but you got all it takes

No one gives them medals  
The world don't know their names  
But in someone's eyes  
They're heroes just the same  
Yea , in someone's eyes  
They're heroes just the same  
Talking bout heroes....  
Special kind of heroes.....  
No ordinary heroes.
